

BULLETIN FOR July 6th, 2010

KIWANIS EDUCATIONAL MOMENT

☐ "Prioritize" (February 2010 – Kiwanis)

- Change the first five years of a child's life and you can change everything. That's the message behind the *Ounce of Prevention* video now posted at www.KiwanisOne.org/ycpo. Take four minutes to see things from the point of view of children born into poverty, without learning opportunities or proper nutrition. Learn how their futures change when someone takes time to care. Remember, young children are priority one.
