Dear Friends at Oakhurst Elementary:

On behalf of all the children we serve thank you for the huge donation of clothing we received in December 2009. A vanload with all the generous donations from the families at Oakhurst Elementary!! We are touched by the outpouring from your school. We know it takes a lot of time to coordinate a clothing drive of this magnitude and please tell everyone involved THANK YOU! We are seeing an increasing need for our service and this will allow us to provide for more children. We are grateful to be the recipient of your benevolence!!

We are sincerely thankful to those who believe in our mission and who have made an investment in the lives of children in our community. To date in 2009 we have distributed 8,203 wardrobes to Pinellas County children. That translates to 80,408 pairs of socks and underwear, 32,842 pairs of pants or shorts, 39,802 tops and thousands of pairs of shoes. Such remarkable success would not be possible without support from people like you who do clothing drives for us. The cost for us to provide one wardrobe is only \$50 per child thanks to you.

Again, many thanks for helping us Clothe A Child and Change A Life. Please share this letter with everyone who participated in the clothing drive.

Sincerely,
