Kiwanis seeks flag sponsors

SEMINOLE — The Kiwanis Breakfast Club of Seminole began accepting flag sponsorship applications in June for its 2024 Field of Honor in partnership with the city of Seminole. The last day to sponsor a flag is Oct. 16.

This year will mark the 10th anniversary of the Field of Honor, which honors past and present military veterans. The display is projected to comprise 600-plus American flags. They will be displayed the entire month of November in front of Seminole City Hall, adjacent post office and St. Petersburg College Seminole.

Individuals, businesses and organizations can sponsor a single or multiple 3-by-5-foot American flags for \$35 each.

Flags are mounted on 8-foot steel poles and placed in precision rows. Each sponsored flag will have a colored military-style streamer attached printed with the name of the veteran being honored, years served, military service logo and the Kiwanis logo.

Flags may be sponsored via credit/debit card or check by visiting the Kiwanis Club's web site at: <http://www.kiwanissemnole-breakfast.com>. For sponsorships via cash payment, please contact Kiwanis Club member Leah Hoffman at 727-873-7852.

Sponsorship applications are available at Seminole's city hall, recreation center and library. After a flag sponsorship is pur-

New district chief
