Kiwanis awards scholarship

SEMINOLE — The Kiwanis Breakfast Club of Seminole recently presented a \$2,250 scholarship to Leah Del Rosario, a third-year nursing student at St. Petersburg College.

This scholarship program was endowed in 2012 by Col. Mildred Imogene Butler. She enlisted in the Army Air Corps in 1944 following her graduation from nursing school. Butler served as a registered nurse anesthetist in the European Theatre of Operations and retired after 26 years in the Air Force having served her country during World War II, Korea, and Vietnam. She passed away in 2015 at age 93.

The Kiwanis Breakfast Club of Seminole has been preparing and serving a free lunch at Special Olympics competitions for 38 years.

Library sets opera, Broadway classics

SEMINOLE — Seminole Community Library will present "Voices in Concert," an afternoon of operatic arias and Broadway classics, Aug. 11, 3 p.m., at the Program Rooms.

Vocalists will be Rex Tabor, tenor, and Kevin Nickorick, baritone, accompanied by pianist Rena Massey.

The one-hour program will include a selection of music that spans the traditions of opera and the charm of Broadway.

Admission is free.

Around the Beaches

Beach renourishment resumed

ST. PETE BEACH — The Pass-a-Grille beach-nourishment project resumed July 29, closing the area from Ninth Avenue to the fishing pier.

Pass-a-Grille businesses will remain open and accessible throughout the project area,

Pinellas County officials said in a press release. However, pier access and approximately 40 beach parking spaces on Gulf Way between First Avenue and Third Avenue will be closed for the duration of the project.

Portions of the beach not within the construction zone remain open, but beachgoers were advised to stay clear of active construction zones.

The southern section of the project is expected to be completed by mid-September, weather-permitting. At that time, the south end of the beach will be reopened and nourishment will be moved north of Paradise Grille. The entire project is scheduled to be finished by mid-November, again, weather-permitting.

Up-to-date closures and additional project information can be found at <https://pinellas.gov/projects/pass-a-grille-beach-nourishment>.
